She will pay visits to some of the schools, after which an opportunity will be given to teachers and others interested in junior work, to meet her. For Europeans, a meeting will be held at the Government European Primary School at 4.30 p.m. on Monday the 20th March. It is hoped that Miss Johnson will give a talk on Froebel work and will answer questions. The Chair will be taken by Mrs. I. M. May, a member of the Education Department's Teacher Training Staff.
